

Certificate of Approval

This is to certify that the Management System of:

Deutsche Edelstahlwerke Services GmbH

Auestraße 4, 58452 Witten, Germany

has been approved by Lloyd's Register to the following standards:

AS9100D (technically equivalent to EN 9100:2018, JISQ 9100:2016 and KS Q 9100:2018)

This certification has been performed in accordance with the requirements of EN 9104-001:2013

Lloyd's Register Quality Assurance is accredited under the IAQG ICOP scheme

Certification Structure – Several Sites

Approval number(s): AS9100 – 0020697

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Development, production and distribution of crude steel, bars, bright steel, wire rod, wire products and components according to customer drawings made of high-grade, tool, stainless, special rust and heat-resistant steels including the associated mechanical-technological, physical and non-destructive tests.

Paul Graaf

Chief Operating Officer, Management Systems, MSIS

Issued by: Lloyd's Register Quality Assurance Limited
