

Certificate of Approval

This is to certify that the Management System of:

Deutsche Edelstahlwerke Witten/Krefeld GmbH & Co. KG

Auestraße 4, 58452 Witten, Germany

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 0020563

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Development, manufacture, sales and distribution of casted, hot-rolled, forged and remelted products as well as sintered metals and metal powder, components to customer drawings and wide-flat products made of engineering steels, tool steels, stainless and special steels including the implicated mechanical-technological, physical and non-destructive inspections.

Marta Escudero

Regional Director, Europe

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
